[keennathan@icloud.com](mailto:keennathan@icloud.com)

My objective is to start a career with an established company and become financially secure for my family. I am a fast learner, polite and respectful. I like to complete my tasks efficiently and effectively. I work well by myself or in a team environment and enjoy challenging myself and acquiring new skills and abilities. I'm also very safety conscientious and keep up to date with OHS requirements.

## EXPERIENCE

**NOVEMBER 2015 – PRESENT**

**COURIER DRIVER**, CAHILL'S COURIERS

Being a courier driver, I am responsible for the safe and proficient delivery of customers items. I am responsible for the daily maintenance of the vehicle and referring any problems to the manager and to accurately handle cash and paperwork.

**APRIL 2013 – AUGUST 2015**

**TRUCK DRIVER** FAR NORTH WHOLESALERS

As a driver I would deliver pallets of goods around Cairns and the greater region. I was responsible for the general maintenance of the vehicles and making sure paper work is correct and run sheets completed. I would also load and unload trucks using the forklift.

**MAY 2010 – JANUARY 2013**

**BATCHER/DRIVER**, HY-TECH INDUSTRIES

As the batcher/allocator my responsibility was to manage the day to day running of the batch hut, insuring concrete trucks were dispatched and on site on time. I would also deliver concrete in trucks and deliver stone and sand in the tippers. I would take and input orders and manage the drivers start, breaks and finish times to comply with driver fatigue management and workplace health and safety.

**JUNE 2009 – MAY 2010**

**CONTRACTOR** TRANSPACIFIC INDUSTRIAL SOLUTIONS

Working for transpacific I completed work on the clem7 tunnel in Brisbane, water proofing and doing concrete repairs. Also working on vacuum trucks clearing blockages in drains around Brisbane

#### **JUNE 2008 – JUNE 2009**

##### **FARM HAND SP EXPORTS**

Being a farm hand, my duties included driving tractors, driving trucks, running wires for the tomatoes, hedging, fencing, planting, fertilizing and general farm duties. Being out on the farm I would work alone or in small groups for long periods of time only seeing a manager once every couple of days.

#### **SEPTEMBER 2006 – JUNE 2008**

##### **PEST CONTROLLER, ENVIROPEST**

My responsibilities at enviropest was to install termite barriers on new and established homes. I was responsible for the daily maintenance of the work vehicle.

#### **SEPTEMBER 2005 – SEPTEMBER 2006**

##### **FARM HAND, CHIKITA MUSHROOMS**

At chikita my duties would include making compost, fixing compost boxes, driving forklifts and frontend loaders, packing compost and cleaning equipment.

#### **AUGUST 2003 – SEPTEMBER 2005**

##### **SLICER, BEEF CITY OAKLEY**

At Beef City I was responsible for cutting all meat into specific cuts, packing and sorting meat, sharpening knives, and adhering to strict quality control measures.

#### **JANUARY 2002 – AUGUST 2003**

##### **SLICER, VALLEY BEEF GRANTHAM**

At Valley Beef I was responsible for cutting all meat into specific cuts, packing and sorting meat, sharpening knives, cleaning floors and adhering to strict quality control measures.

## **SKILLS & LICENSES**
